A snack is provided to the student mid-morning, usually consisting of bagels or muffins with orange juice or milk.

In the event that PEP is cancelled due to inclement weather, please check your email for a notification or call 860-486-5536 to listen to a recorded message after 7:00am on Saturday.

Need a ride?
Pre-Engineering Program (PEP) 2015-2016

**What will your child experience at PEP?**

- Be introduced to the field of engineering
- Participate in engineering activities
- Experience plenty of hands-on projects
- Work in teams to help solve problems

**What are the benefits?**

- Enhance the level of understanding of the relationships between mathematics, science, technology, and the study of engineering
- Foster your child’s creative abilities
- Learn while having fun!

**Example projects that students do in PEP?**

- Mouse trap cars (sixth grade students)
- Study composite beams (seventh grade students)
- Lego robotics (eight grades students)
- & Many More!

**Program Fee**

**Full Year:** $80.00 Registration Fee covers Fall & Spring Sessions (Sept. thru Feb.)

**Fall Session Only:** $50.00 Registration Fee

**Spring Session Only:** $50.00 Registration Fee

Only money orders or checks are accepted. Please make payable to UCONN and mail to:

Pre-Engineering Program (PEP)
EDOC
191 Auditorium Road, U-3187
Storrs, CT 06269

**PEP Dates**

**Fall 2015**
- September 26
- October 3
- October 10
- October 17
- October 24
- October 31

**Spring 2016**
- January 23
