University of Connecticut
Engineering Awards Ceremony
February 22, 2011
Acknowledgements

The School of Engineering gratefully acknowledges those corporations, associations and individuals who have made this year’s scholarships possible. Through their generosity, we have been able to award more than $393,254 in scholarships to 235 continuing students this academic year. If you are interested in learning about our scholarship donor programs, please contact Donald Swinton at (860) 486-8923.

Extreme Measures

Extreme Measures, or ExM as they are known on campus, is a dynamic and innovative co-ed a cappella group. Founded in 2004, ExM has since become a student body favorite, as well as one of the most accomplished and well respected collegiate a cappella groups in New England. Performing all genres of music ranging from Classical to Hip Hop, the group prides itself on vocal diversity, tightly blended harmonies, and powerful soloists. ExM views every performance as a new learning experience and a chance to spread appreciation of their art form. They are available for performances of all kinds and guarantee to wow you with their vocal power!
