Get your STEM Graduate Degree TUITION-FREE

The University of Connecticut is proud to present the Virtual GEM GRAD Lab!

Join the premier organization supporting qualified students from underrepresented communities pursuing graduate degrees in applied science and engineering funded by leading corporations, government laboratories, top universities, and top research institutions.

Attend the GEM GRAD Lab to:

- Get Paid to Attend Grad School
- Discover Funding Opportunities
- Learn How to Apply to Grad School
- Find out What to Expect in Grad School

Designed for all STEM undergraduates and master’s students considering pursuing a PhD.
